## Introduction to Fly Fishing Rivers

### 2022

### Just learning how to Fly Fish?

For our members, the Fly Sub-committee is running a course that will allow beginners to accelerate their foray into how to fly fish on the Association's rivers.

If you have only started fly fishing over the past 18 months, or want to start, then the course is tailored for you.

It will comprise 5 separate sessions and will consist of two parts : Theory and practical session followed by casting tuition.

The course is tutored by fellow members of the Association.

You will learn this and much more:

- The basics - getting set up, what you need, tackle and gear.
- Dry fly fishing - leaders, fly selection, reading the water.
- Wet fly fishing - getting set up, fishing a team of flies, techniques.
- Nymph fishing - types of techniques, 9 essential skills.
- Dry/dropper fishing - set up, dealing with currents.
- Streamer fishing - set up, fly selection, tactics.
